

Air Canada Announces Renewal of Shareholder Rights Plan

MONTREAL, May 4, 2020 /CNW Telbec/ - Air Canada (TSX: AC) (OTCQX: ACDVF) announced today that its Board of Directors has approved a shareholder rights plan to renew Air Canada's existing rights plan. The renewed rights plan is substantially unchanged from Air Canada's current rights plan. It is not being adopted in response to any specific proposal to acquire control of Air Canada, nor is the Board of Directors aware of any pending or threatened take-over bid for Air Canada. The renewed rights plan is similar to plans recently adopted by other Canadian companies and approved by their shareholders.

The renewed rights plan will ensure that Air Canada and its shareholders continue to receive the benefits associated with Air Canada's current shareholder rights plan, which is due to expire at the close of business on the date immediately following Air Canada's 2020 annual meeting of shareholders. As with the current plan, the renewed rights plan is designed to ensure that all shareholders of Air Canada are treated fairly in connection with any take-over offer or other acquisition of control of Air Canada.

The renewed rights plan will be effective at the close of business on the date immediately following its confirmation and approval by shareholders at Air Canada's annual meeting of shareholders scheduled for June 25, 2020. If so approved, the renewed rights plan will remain in effect until the close of business on the date of Air Canada's annual meeting of shareholders in 2023 and would be renewed in accordance with its terms for an additional period of three years (from 2023 to 2026) provided that the shareholders ratify such renewal at or prior to the annual meeting of shareholders to be held in 2023.

A complete copy of the rights plan will be filed and available on SEDAR at www.sedar.com.

CAUTION REGARDING FORWARD-LOOKING INFORMATION

This news release includes forward-looking statements within the meaning of applicable securities laws. Forward-looking statements relate to analyses and other information that are based on forecasts of future results and estimates of amounts not yet determinable.
